7th Heaven Properties is a leading Caribbean property website, listing real estate for sale from across the Caribbean islands. The site aims to provide a medium for Caribbean real estate agents and property developers to advertise their properties online and for potential buyers to search for both property and land for sale, from luxury villas in Anguilla to affordable apartments in investment hot spot Panama. The site is operated by [Caribbean Marketing Company](#) (CMC). CMC is based in London and is registered in the UK. The company assists Caribbean organisations to reach new customers in the UK, Europe and beyond through on and offline marketing and the development of strategic alliances. Through partners, CMC also offers access to financing for large-scale projects requiring significant investment, such as new property developments in the Caribbean.
